

Icona by CRS Pianca

IT Design lineare e versatile dai dettagli sofisticati. Icona si veste di personalità attraverso il connubio tra sobrietà ed espressività. Incassata nel pannello in legno, la maniglia rappresenta un elemento distintivo e raffinato, da personalizzare in base al proprio gusto: con colori laccati vivaci o più neutri, con finiture metalliche classiche o più eccentriche, nella versione opaca o lucida. Laccate, in essenza o materico, le ante hanno apertura a battente, scorrevole o complanare.

EN A linear, versatile design sporting sophisticated details. Icona conveys its personality by pairing understated beauty with expressiveness. The handle – recessed into the wood panel – is a distinctive, refined accent that can be customised to suit individual tastes: choose from bright or more neutral lacquer colours, with classic or more sophisticated metallic finishes, in glossy or matt version. Lacquered, in wood or with a textured finish, the doors come in the hinged, sliding and flush sliding versions.
